OX

Youthful Flamboyance!

OX is a very bright and colorful fabric, especially suitable for youngsters. Actually, it is our most popular fabric. Why? We think that everyone wants to be young and have some piece of "Youthful Flamboyance!". Advertising companies love this fabric, because it is waterproof and they can place it in indoor/outdoor events. OX is perfect for public, because it is suitable for hard use. The fabric is practical, because it can be cleaned or washed easily.

RIVIERA

Fabric for temporary outdoor use!

Riviera is the material that comes in a variety of pastel colours, which is suitable for use both in indoor and outdoor spaces. The fabric surface is provided with a special coating – the stain-free layer (teflon) offering lasting protection against dirt and moisture and ensuring run-off of spilled fluids (preventing absorption). Riviera is child-friendly as it contains no chemical substances (REACH conformity certification) and easy-care – the top surface impurities can be easily wiped off and the external case is suitable for machine wash at 40°C. This is a breathable fabric, which is suitable for temporary outdoor use: on porches, terraces, beaches and pool areas. Riviera fabric – a practical choice inspired by the Mediterranean Sea!
